INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of AKD Capital Limited

Report on review of Condensed Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of AKD Capital LIMITED ("the Company") as at 31 December 2020 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the financial statements for the six-months period then ended (here-in-after referred to as "condensed interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review. The figures of the condensed interim statement of profit or loss and other comprehensive income for the three-months period ended 31 December 2020 and 31 December 2019 have not been reviewed and we do not express a conclusion on them as we are required to review only the cumulative figures for the six-months period ended 31 December 2020.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

AKD CAPITAL LIMITED SELECTED NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UNAUDITED) FOR THE SIX-MONTHS PERIOD ENDED 31 DECEMBER 2020

1. THE COMPANY AND ITS OPERATIONS

- 1.1 AKD Capital Limited ("the Company") was incorporated as a public limited company in the year 1936 under Companies Act, 1913 (Now the Companies Act, 2017). Shares of the Company are quoted on the Pakistan Stock Exchange Limited. The Company is engaged in the business of real estate / providing consultancy, projects financing and management, investment in listed securities and to engage in leasing. The registered office of the Company is situated at 511, 5th Floor, Continental Trade Center, Block 8, Clifton, Karachi.
- Subsequent to reporting date, the Company passed a special resolution in its extra ordinary general meeting held on 01 February 2021 to alter the Memorandum of Association with respect to change the principal line of business from real estate to tourism and increase in authorized share capital from 50 million ordinary shares of Rupees 10 each to 100 million ordinary shares of Rupees 10 each. The approval from Securities and Exchange Commission of Pakistan (SECP) to the amended MOA is under process.

1.2 GOING CONCERN ASSUMPTIONS

These condensed interim financial statements have reported net loss for the six-months period ended 31 December 2020 amounting to Rupees 0.592 million. The Company's net assets position and other financial indicators depict a healthy financial position as at the reporting date. However, the Company's primary commercial operations i.e. to deal in real estate projects, providing consultancy services, projects financing and management etc remained at halt for some years due to economic conditions prevailing in the Country and other ancillary reasons. This situation indicates the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern and, therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. However, the management is proactively considering new business avenues and looking for different options. The Company has been successful in securing contracts from Construction Venture for provision of consultancy services. During the previous year, the Company has renewed the contract for further three years with expiry date of 30 June 2023 for providing infrastructure consultancy and entered into the agreement of Rupees 25 million against which services are being rendered. Subsequent to year end, the Company has passed special resolution to change the principal line of business from real estate to tourism including hospitality business, motels, destination management services, developing and building tourism attractions from which lucrative returns are expected in the coming years. The sponsor directors and management of the Company are committed to the viable and profitable commercial operations of the Company in the ensuing financial year and, based upon the future financial projections and changed business model as disclosed in Note 1.2 above, strongly believe that the Company will continue as a going concern.

These condensed interim financial statements have, therefore, been prepared on going concern basis and do not include any adjustment relating to the realization of its assets and liquidation of any liabilities that might be necessary should the Company be unable to continue as a going concern.

2. BASIS OF PREPARATION

2.1 Statement of Compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34 "Interim Financial Reporting" issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

- **2.1.1** These condensed interim financial statements do not include all the information and disclosures required in annual financial statements and should be read in conjunction with the annual audited financial statements of the Company for the year ended 30 June 2020. These condensed interim financial statements are unaudited, however, have been subjected to limited scope review by the auditors and are being submitted to the shareholders as required by the Listed Companies (Code of Corporate Governance) Regulations, 2019 and Section 237 of the Companies Act, 2017.
- 2.1.3 The comparatives in the condensed interim statement of financial position presented in the condensed interim financial statements as at 31 December 2020 have been extracted from the annual audited financial statements for the year ended 30 June 2020, where as the comparative in condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows are extracted from unaudited condensed interim financial statement for the six-months period ended 31 December 2019.

3. ACCOUNTING POLICIES

The accounting policies and methods of computations adopted for the preparation of these unconsolidated condensed interim financial statements are the same as applied in the preparation of the preceding audited annual published financial statements of the Company for the year ended 30 June 2020.

3.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of these unconsolidated condensed interim financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

During preparation of these unconsolidated condensed interim financial statements, the significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation and uncertainty were the same as those that applied in the preceding audited annual published financial statements of the Company for the year ended 30 June 2020.

10. CONTINGENCIES AND COMMITMENTS

10.1 Contingencies

- a) The Company has filed a law suit in the Honorable High Court of Sindh against a consortium based in Lahore by sending legal notice unduly involving the name of the Company which is not correct as per Company's records. In response, the said Consortium also filed a counter law suit on the Company in the same court claiming certain consultancy fees from the Company. The management and the legal counsel of the Company are of the view that based on the legal merits, the said law suits will be disposed of without any financial loss to the Company.
- In 2012, an individual filed case in the Honourable High Court of Sindh against Defence Housing Authority (DHA) alleging the land belongs to the previous project and designated as amenity plot and made the Company as pro-forma defendant. Presently, the matter is pending in Honorable High Court of Sindh. The management and its legal counsel are confident that that the Company is not a party to the aforesaid case, therefore, the eventual outcome would be favorable and would not result in any financial loss to the Company.
- c) The Company had written back some old liabilities during the previous year aggregately amounting to Rupees 228,546. In case of demand from creditor in future, the Company will be liable to pay them off.

10.2 Commitment

There were no commitments as at the reporting date. (30 June 2020: Nil)

12.1 The receivable / (payable) balances with related parties as at 31 December 2020 are disclosed in the respective notes to the condensed interim financial statements.

13. RECOGNIZED FAIR VALUE MEASUREMENTS - FINANCIAL ASSETS

i. Fair value hierarchy

Judgments and estimates are made in determining the fair values of the financial instruments that are recognized and measured at fair value in these condensed interim financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the following three levels. An explanation of each level follows underneath the table.

Recurring fair value measurements at 31 December 2020	Level 1	Level 2	Level 3	Total
Financial assets	Rupees	Rupees	Rupees	Rupees
Investments at 'fair value through other comprehensive income'	21,664,368	<u> </u>	98,000	21,762,368
Recurring fair value measurements at at 30 June 2020	Level 1	Level 2	Level 3	Total
Financial assets	Rupees	Rupees	Rupees	Rupees
Investments at 'fair value through other comprehensive income'	20,742,480	<u> </u>	98,000	20,840,480

The above table does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amounts are a reasonable approximation of fair value. Due to short term nature, carrying amounts of certain financial assets and financial liabilities are considered to be the same as their fair value. For the majority of the non-current receivables, the fair values are also not significantly different to their carrying amounts.

There were no transfers between levels 1 and 2 for recurring fair value measurements during the six months period ended 31 December 2020. Further there was no transfer in and out of level 3 measurements.

The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and available-for-sale securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

ii. Valuation techniques used to determine fair values

Specific valuation techniques used to value financial instruments include the use of quoted market prices or dealer quotes for similar instruments and the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

14. RECOGNIZED FAIR VALUE MEASUREMENTS - NON FINANCIAL ASSETS

There were no any non-financial assets as at 31 December 2020 for the recognized fair value measurement.
